Long Beach City College Honors Program

If you plan to transfer to any competitive university, your first step should be to apply to the LBCC Honors Program.

For over a quarter of a century, high-achieving LBCC students have flocked to the college's Honors Program for the intellectual challenge it offers. Students who complete the program earn priority consideration for admission to select public and private universities. Generous financial aid packages are available to those students who qualify based on outstanding scholastic performance and financial need. Participating private schools have set up scholarships available only to Honors transfer students who meet the selection criteria.

Every year, Honors graduates go on to such schools as UCLA, UC Berkeley, USC, UCI, and CSU Long Beach (Honors). To join them, join the Honors Program.

For detailed information about the LBCC Honors Program, call the Honors Program Office at (562) 938-4354, visit us on the web at <http://honorsprogram.lbcc.edu> or stop by our office on the first floor of the LAC Library/Learning Resource Center.
