PREREQUISITES AND COREQUISITES

Some courses require a **prerequisite** and/or a **corequisite**. A prerequisite is a course or assessment that must be satisfactorily completed before a higher level course may be taken. A corequisite is a course that must be taken in the same term as another course, such as a science class with a concurrent lab.

**You can meet prerequisite requirements by:**
Qualification through the assessment test at LBCC and be placed in that course OR
Completion of the prerequisite at LBCC with the final grade of Pass, “C,” or better OR
Currently enrolled in the prerequisite class during Spring 2012 OR
Completion of the prerequisite at another school with a “C” or better.

**Note:** High school coursework must have a “B” or better for math courses.

**If you met the prerequisite at another school:**
Provide an official transcript along with a completed “Prerequisite Course Evaluation Form.” You can download the form at: [http://admissions.lbcc.edu](http://admissions.lbcc.edu) or pick one up at the Admissions & Records Office. You must submit the transcripts and evaluation form to the Records office by **April 30, 2012**.

*The system will block your priority registration unless you have met the prerequisites.*

**Challenging Course Requisites and Limitations**
Reasons for challenging requisites or limitations must include one or more of the following:
1. A requisite course is not reasonably available over a period of several semesters;
2. You believe the requisite or limitation was established in violation of a regulation or District approved process of establishing requisites and limitations;
3. You believe the requisite or limitation is discriminatory or being applied in a discriminatory manner; or
4. You have the documented knowledge or ability to succeed in the course.

You may download the form at: [http://admissions.lbcc.edu](http://admissions.lbcc.edu) or obtain one at the Admissions and Records Office.

File your Requisite Challenge form with the School or Department Head responsible for the course you want to enter. If your challenge is approved or the District fails to resolve your challenge in a timely manner, you may register for the challenged class during your normal registration period. If no space is available in the challenged class at the time you file, the District will resolve your challenge prior to the beginning of registration for the next term.

**A reminder to YOUNG MEN! from the Selective Service System**

It’s important that you read this message.

1. **Why it’s important to register:** Through registration, our country maintains a list of names and addresses of young men 18 through 25 years of age for use in the event of a mobilization. It is not a resumption of the draft.

2. **The potential benefits:** Federal and some State laws require registration-age men applying for certain benefits (such as student financial aid, government employment, and job training) to be registered with Selective Service (except those determined by Selective Service to be exempt from the requirement). In addition to being subject to prosecution, failure to register may cause you to permanently forfeit eligibility for these benefits, as men cannot register after reaching age 26.

3. **The potential penalties for not registering:** Young men who are convicted of failure to register may be fined up to $250,000, imprisoned for up to five years, or both. Men, 18 through 25, who have not already done so, are required to register.

Students who complete the program earn priority consideration for admission to select public and private universities. Generous financial aid packages are available to those students who qualify based on outstanding scholastic performance and financial need. Participating private schools have set up scholarships available only to Honors transfer students who meet the selection criteria.

Every year, Honors graduates go on to such schools as UCLA, UC Berkeley, USC, UCI, and CSU Long Beach. Honors Program membership leads to transfer success! For detailed information about the LBCC Honors Program, please call the Honors Program Office at (562) 938-4354, visit us on the web at http://honorsprogram.lbcc.edu or stop by our office on the first floor of the LAC Library/Learning Resource Center LAC, L-160.
Parking Fee

After completing your online registration, go back to your “Student Center” and click on: Opt for Parking in the “Finances” section, then click to select the term from the pull-down menu.

Fee Payment

The easiest method of payment for Priority Registration is by credit card (Visa, MasterCard or Discover).

You have two (2) options to pay:
By credit card (Visa, MasterCard or Discover)
OR
In person at the Cashier’s Office on either campus.

Deadline for payment of enrollment fees is June 12, 2012 by 5 PM in-person or 10 pm online.
You will be dropped from all of your classes (both enrolled and wait listed) if you fail to meet this deadline.

After June 18, 2012, whether enrolling in-person or online you must pay your fees immediately at the time of enrollment.

Online Fee Payment Using a Credit Card

After completing your online registration, go back to your “Student Center” and click on: Make a Payment in the “Finances” section.

• Complete all the fields on the screen. If you leave required fields blank, you will be prompted to return and complete all information.
• The Credit Card Authorization process will confirm the payment or generate a message if there is a problem or issue with your transaction.
• Go to your online “Student Center” page to view your account summary.

NOTE: It is your responsibility to review your account summary and make sure that all your fees have been paid so you are not dropped.

When you are finished, click on “Sign out” in the upper right-hand corner of the screen.
Student Account Status
Account summaries are available online at any time at your online “Student Center” page. Your account summary total will reflect all fees and charges as outlined on pages 8-11 in this Schedule of Classes.

Delinquent Accounts
Debts from past terms can be brought into good standing by making a credit card payment (Visa, MasterCard, or Discover) via the Web. Please contact the Cashier’s Office if your hold remains after one (1) hour.

This does not apply to ASB or Library debts. These debts must be cleared by the Cashier’s office or the Library, respectively.

Refund Payments
A check is the only form of payment that Long Beach City College uses to issue refunds. Therefore, if you use a credit card to pay for any registration transaction and you later drop any or all of your classes, within the required refund period, we will NOT credit your credit card account. You will receive your refund check during the refund period.

Refunds will automatically be mailed to the address listed on your online “Student Center” page.

Third Party Assistance and BOG Fee Waiver
If you have a third-party payment authorization (Veteran’s assistance, rehabilitation, scholarship, military contracts, tuition agreement, employer sponsored tuition), bring your signed form to the Cashier’s office BEFORE the payment deadline.

This general education plan is designed for students planning to obtain an Associate Degree. The general education requirements are only one component of the Associate Degree. Use this sheet in conjunction with the curriculum guide (located at http://osca.lbcc.edu) for your choice of major, and in consultation with a counselor.

Please note that completion of an A.A./A.S. degree does not automatically qualify a student to transfer. Students planning to transfer to a CSU or UC school should refer to the CSUGE-B or IGETC General Education Course Patterns (Plan B or Plan C at http://osca.lbcc.edu/genedplan.cfm) and consult with a counselor to determine the best general education pattern.

### GRADUATION PROFICIENCY REQUIREMENTS

- **MATHEMATICS:** A qualifying score on the LBCC Assessment Test which places a student in MATH 37, 37H, 40, 45, STAT 1, 1H, or higher; or successful completion with a grade of "C" or higher in a college math course at the level of MATH 120 or 130 or 130A or higher.

- **READING:** Satisfying this proficiency may be achieved by any one of the following:
  - A qualifying score achieved through multiple LBCC assessment measures OR
  - Completion of READ 82 or 83 ("C" or better) at LBCC (courses taken at other colleges may be individually reviewed for equivalency by the Reading Department Chair) OR
  - A Bachelor's Degree from an accredited college or university.

- **WRITING:** Complete ENGL 1 or 1H with a grade of "C" or better.

### AREA REQUIREMENTS

**Double-counting** of courses listed in more than one area of the general education pattern is **NOT** allowed. For example, HIST 25 is listed in both the American History and Social Sciences requirement areas, but it may be used to satisfy only one of these requirements. However, courses listed in a requirement area may be used to satisfy graduation proficiencies (see above section).

Students enrolled in non-credit courses may qualify for continuous enrollment if the course instructor has noted satisfactory progress in the course. For additional information, see Degrees and Programs section of the catalog.

- Area A4 Completed

NOTES:

ADDITIONAL INFORMATION

Admissions

Effective Fall 2005, the CSU requires completion of a minimum of 60 transferable units for junior standing for students not eligible for admission to CSU from high school. LBCC courses numbered 1-99 will transfer to all CSU campuses.

As part of the 60 units, 30 units of General Education must be completed, including the Golden Four (Areas A1, A2, A3, and A4). The Golden Four must be completed with a grade of “C-” or better for admissions purposes.

A maximum of 70 transferable semester units earned at a California community college will be accepted by a CSU toward a Bachelor’s Degree.

Generally, a 2.0 overall G.P.A. in CSU transferable units (LBCC courses numbered 1-99) is required. Certain impacted/popular majors and universities may require a higher G.P.A. (See university admissions websites or www.csumentor.edu for more information.)

The on-line application for CSU is located at www.csumentor.edu.

Priority Application Filing Periods:

- Fall Quarter/Semester: October 1 - November 30
- Winter Quarter/Semester: June 1 - 30
- Spring Quarter/Semester: August 1 - 30
- Summer Quarter: February 1 - 28

**Check with counselor for open filing periods**

Certification

Certification is the process whereby Long Beach City College approves lower-division general education course work for CSU transfer. Only courses taken from approved lists are eligible for certification for CSU GE-Breadth. When a transcript is certified by LBCC, it is marked to indicate that the lower-division general education requirements for CSU have been met. Completion of the full 39 unit pattern is recommended. With permission of the CSU, students may transfer to a CSU and return to LBCC to complete classes for certification. Students must see a counselor to use non-LBCC courses on this plan.

Certification requirements:

- Area A1 Completed
- Area A2 Completed
- Area A3 Completed
- Area A4 Completed

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)  

All information contained herein is subject to change without notice.  

Since individual plans and circumstances vary, students should consult with a counselor before beginning a program of study to ensure the appropriate General Education pattern is followed.  

These requirements are designed for students planning to transfer to the University of California (UC) system or the California State University (CSU) system. Courses on this pattern are lower-division general education requirements unique to IGETC and established by the UC and CSU. Students MUST meet with an LBCC counselor to initiate and complete the IGETC Certification process.  

Students who wish to complete an Associate Degree and do not plan to transfer should NOT follow this plan.

### A GRADE OF “C” OR BETTER IS REQUIRED IN EACH COURSE

Students who begin their college work at any UC may NOT use the IGETC for transfer back to the same UC.

A grade of "C" or better is required in each class.

**Legend**

ATTENDANCE
An instructor may lower the grade or drop a student from class for too many
absences. A student missing more than two weeks in a row, or more than 20
percent of a course, shall be dropped by the instructor. If there are special
circumstances, such as a long illness or a death in the immediate family, the
student should discuss this with the instructor.

REFUNDS
Enrollment fees will be automatically refunded to students who OFFI-
CIALY withdraw during the refund/transfer period. After the deadline
there will be no refunds. A student must OFFICIALLY withdraw during the
refund/transfer period to clear any balance due. A balance due
is not cleared by never attending a class for which a student has
registered.

District refunds (enrollment fees, materials fees, non-resident tu-
ition, health fees, and unused overpayment credits) will be PAID BY
CHECK and mailed to the student’s last-known address. Students
who have moved should update their address on their online Student
Center page.

Board of Governors Fee Waiver (BOGW) refunds Eligible students
who pay their enrollment fees, and then become a BOGW student,
will receive a refund according to the following schedule.

July 12, 2012 for all unused registration overpayments and classes
dropped within the refund/transfer period, and cancelled classes
processed through July 12, 2012.

ALL REFUNDS ARE MADE BY CHECK,
REGARDLESS OF THE
FORM OF PAYMENT USED.

College Services Card Fee refunds
Fees will be refunded by the Cashier’s Office within the refund/transfer
period as defined on your online student center page. To be eligible for
a refund, the College Services Card sticker must be surrendered to the
Cashier’s Office with proof of complete withdrawal from Long Beach City
College. No refund will be granted without appropriate documentation.

Parking Permit refunds
Parking Permit refund transactions are processed by the Cashier’s Of-
ce. To be eligible for a refund, the Parking Permit must be surrendered
to the Cashier’s Office within the refund/transfer period as defined on
your online student center page. All refunds will be processed by
check as outlined above.

Delinquent Miscellaneous Fees
A refund will be reduced by any miscellaneous fees such as lab fines,
unpaid fee increase mounts and returned checks. If the amount of
unpaid fines and fees exceeds the amount of a refund, the refund will not
be processed until the amount due is cleared.

DROPPING/withdrawal FROM CLASS(es)
1. It is the student’s responsibility to drop by the official deadline. (See your
online schedule) The period depends on the length of the class, regard-
less of when you enroll. If you wish to drop a class and not have a “W”
on your record, you must officially drop within the period specified.

POLICY ON OPEN ENROLLMENT
It is the policy of the Long Beach Community College District that every course,
course section or class where the full time equivalent student (FTES) units
are to be reported for State apportionment purposes, shall be fully open to
enrollment and participation by any person who has been admitted to the
college and who meets course prerequisite.

OFFICIAL WITHDRAWAL POLICY
Students who officially withdraw by completing and signing a withdrawal form
in the Admissions and Records Office with a date of last attendance within
the required drop deadline are considered as having never attended. Note:
Students who withdraw or are dropped from classes an excessive number of
times are subject to probation and dismissal.

POLICY REGARDING SCHEDULE CHANGES
The Long Beach Community College District has made every reasonable
effort to determine that everything stated in this class schedule is accurate.
Courses, programs, and other matters are subject to change without notice
by the District. The District further reserves the right to add, amend or repeal
any of its rules, regulations, policies and procedures.

PRINTING FEE
A printing fee of 10¢ per page will be charged for each page duplicated in the
open access labs and library on campus. Students are welcome to save the
information to a disk to print at home or at another off-campus location.

STUDENT-RIGHT-TO-KNOW & CAMPUS SECURITY ACT OF 1990
In compliance with the Student-Right-to-Know and Campus Security Act
of 1990, it is the practice of the Long Beach Community College District to
make available its completion and transfer rates to all current and prospective
students.

In accordance with this legislation, beginning in Fall 2003, all certificate,
degree and transfer-seeking first-time, full-time students were tracked over a
three-year period. These rates do not represent the success rates of the
entire student population at Long Beach City College, nor do they account
for student outcomes occurring after this three-year tracking period. The
Fall 2003 group represents only .8% of the students enrolled at the college
that term.

Based upon the group defined above, 33% attained a certificate, degree
or became “transfer-prepared” during the three-year period (Fall 2003 to
SUMMER 2006). Students who are “transfer prepared” have completed 56
transferable units with a GPA of 2.0 or better.

Based upon the group defined above, 9% transferred to another California
postsecondary institution (CSU, UC or another California Community College)
before attaining a degree, certificate, or becoming "transfer prepared" during a
five-semester period (SUMMER 2004 to SUMMER 2006).

Of the students who entered the college in Fall 2003, many were still enrolled
at Long Beach City College the academic year following the three-year tracking
period. Based on another study, the average time to degree for Long Beach
City College students is 4 1/2 years (9 semesters).

More information about Student-Right-to-Know rates and how they should
be interpreted can be found at the California Community Colleges “Student-

PARKING AND TRAFFIC REGULATIONS
These rules are enforced to ensure the rights of permit holders as well as to provide for the safety of people and property:

1. Parking permits are required at all times in LAC and PCC parking lots. Parking permits are purchased each semester during registration. After registration, permits may be purchased from the Cashier’s Office at either campus. For students who do not wish to purchase a semester parking permit, one-day parking permit machines are available at both campuses. LAC has Eighteen (18) parking permit machines, one (1) located in Lot J, E, F, H, M, O, and P; Veterans Stadium Ticket Booths and 10 in the Parking Structure. PCC has parking permit machines located on the south side of parking Lot 1, Lot 3 and Lot 5.
Parking Meters - There are meters in Lots E, F, and G as well as on the South side of Lew Davis at LAC, for short term visitor parking. There are also 30 minute visitor parking zones along the north curb of Carson Street.

2. Semester parking permits must be attached to the rear view mirror so that it is CLEARLY VISIBLE from the front of the vehicle. One-day parking permits must be placed in plain view on the vehicle dashboard, above the steering wheel with the permit facing upward. Students are responsible for displaying their parking permit in plain view. Students driving a convertible-type vehicle or motorcycle can obtain a special permit from the LAC College Police in building X on Lew Davis Street. This special permit can only be obtained after the purchase of a semester parking permit.

3. Student permits and daily permits do not authorize parking in staff or other reserved parking spaces, except where posted otherwise.

4. Parking is available on a first-come, first-served basis. Parking is always available at Veterans Stadium.

5. LBCC’s Parking Procedures, the California Vehicle Code, and the ordinances of the City of Long Beach are in effect and enforced on LBCC’s campus at all times. The speed limit in the parking lots and in the structure is 10 MPH. Citations are issued according to the printed and posted regulations as appropriate. PLEASE READ THE SIGNS posted at each parking lot.

6. A permit does not guarantee a parking space in the parking lot of choice. You are advised to allow ample time to find parking. At LAC, there is additional parking in the Veterans Stadium parking lot.

7. Citations are issued by the Long Beach Police Department and Long Beach City College Parking Services to automobiles, motorcycle, and mopeds that do not display a properly placed, current parking permit. Students parked in staff or other specially designated areas will also be cited.

8. Students may not double park nor circle the parking lots to wait for a parking space.

9. No adjustments will be made for parking citations at the Long Beach Police Department – City College Unit. Individuals wishing to contest a citation must call (662) 570-6822. Refer to your citation for more information on contesting.

10. Students, staff, or faculty with state-issued disabled placards are to park in the marked handicapped spaces. If a handicap space is not available, parking is allowed in any other student or staff space. Disabled permits are not valid in carpool or other reserved spaces.

11. Regulations pertaining to parking can vary from lot to lot. It is the responsibility of the driver to read the parking regulations that are posted at the entrance of each parking lot before parking.

Disabled Parking
A vehicle parked in a disabled stall must display a DMV-issued disabled parking placard. No LBCC parking permit is required. A disabled visitor may park in any disabled parking stall, staff or student stalls. (Enforced 24 hours a day.)

Service Parking
(generally campus and/or maintenance personnel) All service parking stalls and zones are enforced 24 hours daily, Monday through Sunday. District vehicles or vehicles displaying authorized vendor/contractor/service parking permits are exempt from posted loading time restrictions. (Enforced 24 hours a day.)

Fire Lanes / Fire Hydrants
All roads and driveways on the LBCC campus which are fire lanes must be kept unobstructed and available to emergency response vehicles at all times. Access to fire hydrants must also be maintained at all times. Any vehicle presenting a hazard by obstructing a fire lane or a fire hydrant may be cited and towed immediately. (Enforced 24 hours a day.)

RED Curbs
A vehicle may NOT park or stop at a RED curb. Most RED curbs indicate a fire or emergency vehicle access route. (Enforced 24 hours a day.)

Loading Zones
Identified with a YELLOW curb or YELLOW crosshatch and the words “LOADING ZONE” painted on the pavement. Parking is permitted for 30 minutes for the loading and unloading of material. Loading zones for passengers are identified by the WHITE curb. (Enforced 24 hours a day.)

Overnight Parking
Prohibited unless previously authorized by Parking Services. Only vehicles displaying an overnight permit may park overnight. Camping or residing in a motor vehicle on college property is prohibited. (Enforced 24 hours a day.) NOTE: Overnight parking may be arranged through the Office of Parking Services, based upon specific justification.

Motorcycle, Moped, Motorized Bicycle and Scooter Parking
All motorcycles, mopeds, motorized bicycles, and scooters must park in areas designated motorcycles, or in metered zones. These vehicles are not allowed in bicycle racks or on sidewalks.

Head-First Parking
All vehicles must be parked in parking spaces front-end first. Maneuvering into a parking stall so that the front-end of the vehicle is at the stall opening can disrupt the flow of traffic in parking aisles and can be a liability to the District. A citation is issued for failure to comply with this regulation. (Enforced 24 hours a day.)

Speed Limits on Campus
10 miles per hour in all parking areas and 25 miles per hour on all roads and drives unless otherwise posted. (Enforced 24 hours a day.)

Questions about these and other parking and traffic regulations should be directed to the Long Beach City College Parking Services at (562) 938-4713 or the Long Beach Police Department Unit at (562) 938-4807.
CREATING A COLLEGIATE ENVIRONMENT

OUR VISION
Long Beach City College prepares students to be successful in the world of the 21st century. Sitting at a global crossroads, the college constantly crafts its educational programs to meet the needs of students living in:

- A world of increased complexity and speed
- A world both global and remarkably accessible
- A world technologically advanced but intensely interdependent

A culturally diverse college, Long Beach City College welcomes all people who desire to grow and serve. The college nurtures a vibrant environment that cultivates a passion for learning, which continues for life.

IN THE CLASSROOM
Creating a proper teaching environment is the cornerstone of getting a good education. Everyone at Long Beach City College is responsible for helping to create this environment, including students. Simple rules of courtesy apply.

- Respect for the Instructor
  This means arriving on time, not leaving early, bringing appropriate materials, not speaking with other students while a lecture is in progress, not bringing food or drink to the classroom, not being loud, boisterous, or argumentative.
- Respect for Other Students
  This means not interfering with the rights of others to listen and participate, not being disrespectful, not using inappropriate language, or harassing others in any way.
- Academic Honesty
  Lack of honesty in the classroom is considered a very serious offense. Any form of cheating on tests, turning in work which is not one's own (plagiarism), talking during tests, furnishing false information to instructors, or knowingly misrepresenting oneself to the College is grounds for disciplinary action. The consequences of cheating are severe and may include the possibility of expulsion.
- Instructor's Rights
  An instructor has the right to remove a student from class at any time he/she considers a student’s actions to be interfering with a proper collegiate environment. The instructor may also refer the incident to the Dean of Student Affairs for disciplinary action as warranted.
- Student's Rights
  All students have a right to due process. If classroom conflicts occur, discuss them with your instructor during his/her office hour. Additional resources for help include the Department Head, Instructional Dean, and Dean of Student Affairs.

ON THE CAMPUS
Like the classroom, creating a proper campus environment is also of great importance to assure academic and individual success. The Board of Trustees have established campus-wide standards of student conduct and simple campus rules which are enforced at all times. These are particularly important in large common areas such as the cafeteria, bookstore, vending, campus offices, College Center, Student Center, Activities Center, campus quads, athletic areas, and other highly frequented areas.

STANDARDS OF STUDENT CONDUCT
The following violations of College policy subject students to disciplinary action.

1. Wilful disobedience to directions of college officials (including faculty) acting in the performance of their duties.
2. Violation of college rules and regulations, including those governing student organizations, the use of college facilities, or the time, place, and manner of public expression or distribution of materials.
3. Dishonesty, such as cheating, or knowingly furnishing false information to the college.
4. Forgery, alteration, or misuses of college documents, records, or identification.
5. Unauthorized entry to or use of college facilities.
6. Obstruction or disruption of classes, administration, disciplinary procedures, or authorized college activities.
7. Theft of or damage to property belonging to the college, a member of the college community on campus or at a campus activity, or a visitor to the campus.
8. Disorderly, lewd, indecent, obscene attire or conduct, including profanity.
9. Conduct which disrupts orderly operation of the college, or which disrupts educational activities of individual members of the college community including, but not limited to, the harassment of another member of the college community based on race, religion, national origin, gender, sexual orientation, or any other legally protected status.
10. Use, possession, distribution, or being under the influence of alcoholic beverages, illicit drugs or other controlled substances while on campus, or in connection with college activities.
11. Assault or battery, abuse, or any threat of force or violence directed toward any member of the college community or campus visitor engaged in authorized activities.
12. Possession, while on the college campus or at a college sponsored function of any weapons (except by persons given permission by the Superintendent-President or members of law enforcement agencies, such as police officers acting in their capacities as officers).
13. Possession of any article, not usually designated as a weapon, when used to threaten bodily harm.
14. Misuse of any computer technology, including equipment, software, network or Internet access. This includes non-compliance with any policy, regulation, rule, or guideline developed by any segment of the college which relates to computer technology.

DISCIPLINARY ACTIONS
Violations of the above Standards of Student Conduct and/or Campus Rules subject students to the following disciplinary actions. These actions may be imposed singly or in combination.

1. Warning
2. Reprimand
3. Probation
4. Social Suspension
5. Disciplinary Suspension
6. Expulsion

Due process
All students have a right to due process. Specific guidelines exist regarding these rights and can be obtained through the College Catalog or in the office of the Dean of Student Affairs.

If you are a dependent student and your parent is in a Registered Domestic Partnership, you will be treated the same as a student with married parents and income and household information will be required for the parent’s domestic partner.

Note: These provisions apply to state student financial aid ONLY, and not to federal student financial aid.

Are you or your parent in a Registered Domestic Partnership with the California Secretary of State under Section 297 of the Family Code? (Answer “Yes” if you or your parent are separated from a Registered Domestic Partner but have NOT FILED a Notice of Termination of Domestic Partnership with the California Secretary of State’s Office.) □ Yes □ No
